

# SAVE With Us

We have worked hard to provide you, our valued customers, with the best values in office supplies, equipment and furniture. Together with our vast supplier network, we are able to offer pricing that is competitive not only with other office suppliers, but also the office superstores. Remember, we offer FREE NEXT DAY DELIVERY ON ANY ORDER.

How many times have you been sent to the endless loop of the voicemail system? When you call Shanahan's (M-F 7:30-5:00) you will be greeted by a live, courteous and helpful receptionist that will assist you in talking to the right person. Whether you need information on office furniture or service on your fax machine, we will make sure you are not left out in the endless loop.

## SHANAHANS.NET

Now you can place your orders with us instantly on the web. Our web site (*shanahans.net*) is easy, quick and hassle-free and has thousands of the latest and greatest office products no further than a click away. For your personal log-on and password call **(908) 725-2000** or e-mail our customer service (*glorias@shanahans.net*) or sales department (*sales@shanahans.net*)

Along with stationery and office supplies, Shanahan's can offer you furniture from many of the country's leading manufacturers. Whether a single task chair or a complete floor of modular furniture, our design staff is available to work with you in optimizing your office productivity. Our team approach to office furniture design and sales enables you to see the end results via computer-aided design programs before any physical changes are made. We can also offer our assistance in soft goods such as window treatments and carpeting.
